Caribbean Alliance Insurance Co. Ltd., is the largest general insurance company in Antigua and has been in operation for over 20 years. We currently have representatives in 15 territories across the Caribbean and the South Atlantic.

HOME BUILDINGS INSURANCE

Your home is safe...

One of the biggest investments many of us will make in our lives is owning our own property, and therefore it makes sense to ensure that such an important asset is properly protected.

Caribbean Alliance Home Insurance policy covers your home against damages arising from a very wide range of perils namely Fire, Lightning and Smoke, Explosion, Earthquake or Volcano, Storm or Flood, Hurricane, Tropical Storm or Tornado, Subsidence, Heave or Landslip, Escape of Water or Oil, Riot, Strike or Labour Disturbance, Malicious Persons or Vandals, Theft or Attempted Theft, Vehicles, Animal or Aircraft Collision, Falling trees or branches and Accidental Damage. The policy can also extend to provide Liability coverage for domestic staff.

We also provide additional coverage for Rental and Alternative Accommodation; Breakage of Fixed Glass and Sanitary Fixtures, Damage to Underground Water or Gas Pipes, Electricity Cables and Public & Personal Liability as Owner or Occupier.

In the event of an incident resulting in property damage, you can claim for the cost of repairing or rebuilding.

CONTENTS INSURANCE

Your treasures within are secure...

With Caribbean Alliance, you can get protection for your valuables and personal possessions against All Risks anywhere in the world. We offer coverage on your Home's Contents in the event of Theft, Fire, Flood, Hurricane, Earthquake and other insured perils including Accidental Damage. Standard extensions and benefits include Loss of Metered Water or Oil, Temporary Removal and \$25,000 Fatal Injury benefit.

Contents claims are settled on a replacement "as new" basis (other than clothing and linen), providing of course that the selected sum insured is adequate and subject to deduction of the policy deductible.

MOTOR INSURANCE

For the family on the go...

Our Motor Insurance policy covers both Private and Commercial Vehicles. There is the option to cover vehicles for Comprehensive or Third Party.

All policies cover you and other insured drivers for liability to third parties, be it damage to other vehicles and property or injury to persons including passengers in your vehicle.

Comprehensive insurance crucially provides cover for theft or damage to your own vehicle even if an accident is your own fault. Other benefits include Personal Accident and Personal Effects insurance and there is an option to cover the cost of a temporary replacement car for up to 10 days whilst your own car is being repaired.

MARINE INSURANCE

Custom coverage for your watercraft...

We provide comprehensive Marine Coverage for yachts and pleasure craft in a plain-English format to cover a range of circumstances. Coverage includes windstorm on a full-year basis, without the requirement that vessels move to southerly latitude during the hurricane season. There are a range of insurance policies for the protection and security of private recreational boat owners and commercial operators.

TRAVEL INSURANCE

Superb policies for any type of trip...

No matter where you explore, for business or pleasure, Travel Insurance is a smart idea for you and your family. Our Travel policy plans provide a package of coverage that includes medical expenses, personal accident and lost baggage. The limits and duration of cover are tailored to your requirements as our insurance meets your needs.
